Presented in partnership with the American Red Cross and sponsored by NV Energy, the event will focus on learning about threats that may impact our community and how to better prepare for emergencies.

COMMUNITY POLICING AND OUTREACH

October 15, 2-3 p.m.

Community policing and outreach is an important part of the focus of the Las Vegas Metropolitan Police Department. This presentation will explore options for the community to be involved in many different types of programs available to Southern Nevada residents to help make changes and support various issues confronting the area. The different resources available at the various agencies will also be discussed.

LVMPD offers a wide variety of programs designed to get citizens involved in their community including Neighborhood Watch programs, Explorers program and the Citizen's Police Academy.

Be Red Cross Ready

Everyone knows the Red Cross helps people during emergencies. But you may not know that it's also part of our mission to help you help yourself!

Becoming "Red Cross Ready" for an emergency means following our simple steps in advance to ensure you can weather a crisis safely and comfortably.

Getting prepared may sound difficult or time consuming but - with a little help from the Red Cross - it's actually very doable.

What is Be Red Cross Ready?

The program is designed to help individuals, families and their communities get ready for a variety of emergencies.

It represents the cooperative efforts of the American Red Cross and the U.S. Department of Homeland Security's (DHS) Ready Campaign to encourage the public - and the community at large - to be more prepared for a disaster or other emergency.
