THE MOB MUSEUM

ALL THE DIRT. ALL IN ONE PLACE.

The best stories are found by digging under the surface. At The Mob Museum, we put in the work to get to the bottom of some of history's most intriguing tales, exploring the age-old dichotomy of good guys vs. bad guys.

Located in the heart of downtown Las Vegas, The Mob Museum has four expertly-curated floors of immersive exhibits, multimedia displays and engaging artifacts that examine the ongoing power struggle between organized crime and law enforcement from the Mob's origination to today.

Through vivid storytelling, guests are presented with the facts, the fiction and the gray area in between — showcasing the events and characters that played an integral (and infamous) role in U.S. history.
